

Equality Objectives 2015-2018

The Governing Body of Hyde Heath Infant School has published information to show how they are complying with the Equality Duty.

We ensure that:

- All pupils are able to fully participate in school life and are given the same opportunities.
- All pupils' achievement is closely monitored to ensure trends or patterns are addressed.
- Diversity is portrayed positively in school books, displays, topics, discussions and assemblies.
- All stereotypes are challenged both in the classroom environments and in the playground.
- The school environment is accessible to all.
- All staff are kept up to date with Quality Legislation and Guidelines.

Equality Objectives

The Equality Duty requires all schools to publish Equality Objectives at least every 4 years.

The Equality Objectives for Hyde Heath Infant School 2014-2018 are:

1. To analyse standards to establish if there are any equality issues which seem to be leading to gaps in attainment or progress.
2. To establish links with schools in contrasting areas to enhance our children's understanding of life in a different area, country or culture.

These objectives will form part of the School Development Plan and will be monitored annually.
