

Safeguarding Statement

At this school the health, safety and well-being of every child is our paramount concern. We listen to our pupils and take seriously what they tell us. Our aim is that children will enjoy their time as pupils in this school.

We want to work in partnership with you to help your child to achieve their full potential and make a positive contribution.

The procedures which we follow have been laid down by the Buckinghamshire Area Safeguarding Team and the school has adopted a Child Protection Policy in line with this, for the safety of all. On rare occasions our concern about a child may mean that we have to consult other agencies, even before we contact you. If you want to know more about our procedures or the policy, please speak to the Headteacher or your child's class teacher.
